

## Double doors ETL safes

ETL 80

ETL 100

Conforti offers two models of double doors safes for banks and jeweler shops for the protection of large objects and valuables.

The ETL080 and ETL100 safes were designed to accommodate 3 or 4 columns of security boxes, for 63 compartments (with H=8, cm) for ETL080 and 84 compartments (with H=8, cm) for ETL100.

On request, it's possible to equip these safes with mechanical or electronic time locks and programmable time windows.

Model	External dimensions (cm HxWxD)	Internal dimensions (cm HxWxD)	Weight	Volume	Shelves
<b>ETL080</b>	197,5x121x67,5(*)	179x102x42	1.250	786	4
<b>ETL100</b>	197,5x152,5x67,5(*)	179x133,5x42	1.550	1.028	4

(\*)+ cm 4,5 extra depth for handle
